MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : [REDACTED] Nominee for Inspection Staff STATINTL

Bill:

STATINTL

Tom Karamessines has nominated [REDACTED] for assignment to the Inspection Staff to replace [REDACTED] STATINTL

I have talked with Tom, Cord Meyer, and [REDACTED] and [REDACTED] is highly acceptable to me. Tom Karamessines advises me that just before the Director left on his trip Tom discussed a number of senior assignments with him including the [REDACTED] assignment, and has the Director's approval. This is somewhat irregular. As a rule the Executive Director discusses nominees for the Inspection Staff with the Director and gets his approval. However, I believe we can accept Tom's assurances and unless you have a problem go ahead with the assignment. STATINTL
